KO GUEST TRANSPORTATION DRIVER APPLICATION

There are some very special people who bring the guests that have transportation issues, which allows them to be able to attend a Kairos Outside Weekend. They serve a much-needed task to help get the guests there on time. They may not be there to see what happens during the weekend, but they are some of the most important servants. We refer to these people as **KO Drivers**. We encourage you to make a commitment for a few hours to help someone experience what God has for them on this Kairos Outside Weekend and provide transportation for a guest or guests. Please read the Guidelines KO Drivers for more information on what is required of your service.

Also, if you would like to provide agape for a Weekend, we need a minimum of 30 identical pieces by Friday evening of the Weekend.

All expenses associated, including any fuel or meals, are personal expenses.

When you arrive, please sign in with the Weekend Angel Coordinator.

To show agape love and support for the Weekend guests, **plan to arrive 30 minutes prior to the start time of these events.**

NOTE: Since Ministry guidelines do not allow for KO Drivers to interact with Guests after the weekend has begun, you'll dine separately from Guests and will not be able to participate in the Saturday evening Agape Service/Thanksgiving Celebration. Please mail the completed application to the address located at the top of this form.
