DAY ANGEL APPLICATION

Some special volunteers come to help on Kairos Outside Weekends. They work behind the scenes to help keep things running. They may be the first to arrive and the last to leave. We refer to these people as **Day Angels**. We encourage you to commit for a few hours or an entire day to support the Kitchen or Agape Teams, run errands, provide transportation, pray in the Speaker's Chapel, or assist with set up in the Chapel. **Day Angels** must be willing to sign the Kairos Statement of Faith on the second page. All expenses, including lodging or meals, are personal expenses payable upon your arrival at the facility.

Overnight Lodging is available and is subject to availability and must be approved ahead of time.

STATEMENT OF FAITH

The people of Kairos are called by God to share the love of Christ with those impacted by incarceration. Kairos encourages believers from a variety of Christian traditions to be volunteers in this Christ-filled ministry.

Kairos programs offer prison residents, their families, and those who work with them the opportunity to receive God's forgiveness through faith in Jesus Christ and to grow in their faith and servanthood in a Christian community environment. We stand on the common ground of the following elements of faith:

We in Kairos believe:

The Bible is God's authoritative and inspired word for our faith and our lives.

In the Trinity of the Father, Son, and Holy Spirit. In the deity, death, and resurrection of Jesus Christ.

Friendship with God is a free gift, for God so loved the world that He gave His one and only son so that whoever believes in Him shall not perish but have eternal life.

The love of Jesus Christ motivates His followers to provide food for the hungry, drink for the thirsty, welcome to the stranger, clothes for the naked, and visits to the sick and those in prison.

In sharing the love and forgiveness of Jesus Christ with all incarcerated individuals, their families, and those who work with them inside and outside the correctional institution.
